

Reciprocity Policy

California Western School of Law is committed to promoting equal access and opportunities. California Western's reciprocity policy aims to foster inclusivity and provide expanded access to reciprocal services and use of reference materials to students and graduates of all other participating ABA accredited/NALP member schools, with the exception of other law schools located within San Diego County.

Requests for reciprocity should be made by the requesting student's/graduate's Career Services office who will make the reciprocity request on the student or graduate's behalf to California Western School of Law's Career and Professional Development Office ("CDPO"). Requests can be emailed to ndorman@cwsl.edu or career_services@cwsl.edu.

Reciprocity requests may be limited or become blocked between August 1 and November 1 of each year due to fall recruiting schedules and depending on the number of reciprocity requests California Western School of Law receives during fall recruiting season.

Correspondence requesting the use of our services and including an offer of reciprocity to a California Western alumnus/a must be received from the career services office of the individual's law school in advance of the first visit. Each request will be valid for three months. The three month period begins with the date on the correspondence granting reciprocity. Reciprocal services include access to all career-related printed resources and the electronic database Symplicity for job listings. Counseling services are not available for reciprocity students/alumni(ae).

California Western School of Law reserves the right to refuse or rescind reciprocal privileges.

California Western School of Law does not discriminate on the basis of age; ancestry; citizenship status; color; creed; disability or medical condition; gender; pregnancy, childbirth or related medical conditions; gender identity or expression; marital, military or parental status; national origin; race; religion; sexual orientation, or any other basis prohibited by law in the interviewing and employment of students and graduates. Participation in our CPDO programs is restricted to those employers who agree to comply with this policy.
