WHAT TO DO IN CASE OF SEXUAL ASSAULT OR HARASSMENT

Any California Western School of Law (California Western) student or employee who has experienced sexual assault is encouraged to **immediately notify law enforcement and/or seek immediate medical assistance**. Timely reporting and a medical examination within 72 hours are critical in preserving evidence of sexual assault and proving a criminal or civil case against a perpetrator. However, a student or employee may report incidents of sexual assault, harassment or violence at any time.

² SART stands for "Sexual Assault Response Teams" and they are trained to assist victims of sexual assault, collect evidence using SART/rape kits, and work with local police and state officials.

CONFIDENTIAL AND NONCONFIDENTIAL REPORTING OPTIONS

Individuals are encouraged to make a prompt report to California Western. The complainant's identity and the allegations are typically revealed only to those who need to know, including: the alleged target of harassment (if different from the complainant); the alleged harasser; any witnesses; and California Western officials responsible for investigating and/or making decisions regarding the complaint. Retaliation against any party involved in connection with a complaint is a separate actionable offense. Confidentiality will be maintained throughout the investigative process to the extent practical and appropriate under the law.

Confidential Reporting Options: Individuals are encouraged to make a prompt report to law enforcement and to the school. Confidential resources will not share information with the school nor will speaking with a confidential resource trigger action by the school unless there is an imminent threat to self or others.
